Dear Chairman Martin:

Resources for Children with Special Needs, Inc. is a New York City Advocacy center for children with disabilities and their families. We would like to praise and support Ms. Deborah Gordan, Public Affairs Director of Fresh 102.7, WWFS for the support she has given our organization. In January of 2008 Ms. Gordan interviewed me on her show to help publicize our annual Special Camp Fair for parents of children with disabilities as well as our other services offered to families in the New York City area. Resources for Children with Special Needs, Inc. and I, so appreciate Ms. Gordan and Fresh 102.7 for its ongoing commitment to not for profit organizations such as ours. Their support makes a very positive impact on families who need to know about the programs and services to assist them living in a very stressful world. I appreciate your support of Ms. Gordan and her station. Thank you very much.

Sincerely,

Gary Shulman, MS.Ed.

Program Director
